Set up BEKB e-banking

To set up BEKB e-banking, you need a **smartphone or tablet** and a **computer**. You also need the **password and activation code** that were sent to you by separate post.

1. Download the BEKB smartLogin app to your smartphone (from the App Store or Google Play Store)

2. Open the app, agree to the terms and conditions by checking the box and click on ‹Start›.

3. Enter your user ID and activation code, and click ‹Continue› to confirm

4. Set your own PIN (min. 8 digits) and click on ‹activate›

5. The BEKB smartLogin app has now been installed and is ready to use

6. Open your internet browser (on computer, laptop or tablet) and enter **www.bekb.ch**

7. Click on ‹Login E-Banking› at top right

8. Enter your access data (user ID and password) and confirm by clicking on ‹Next›

9. Change to the BEKB smartLogin app (on your smartphone)

10. Enter your PIN (min. 8 digits) and click on ‹Login›

11. Accept confirmation request in the BEKB smartLogin app

12. Go back to the computer and set a new password

13. You have now registered for BEKB e-banking and should see the start page (My Overview)

Set up the BEKB App

You must have finished setting up BEKB e-banking (on the computer; see Steps 1– 12 overleaf) before you can set up the BEKB App. Have your user ID, your new e-banking password and the BEKB smartLogin app ready.

1. Download the BEKB App to your smartphone (from the App Store or Google Play Store)

2. In BEKB e-banking (on the computer), click on your name, situated at top right, then on ‹Set up BEKB App›

3. Enter your e-banking password

4. Change to the BEKB smartLogin app (on your smartphone)

5. Enter your PIN (min. 8 digits) and click on ‹Login›

6. Accept confirmation request in the BEKB smartLogin app ✅

7. The generated security key will now be displayed in BEKB e-banking (on the computer)

8. Enter your user ID, your e-banking password and the generated security key in the BEKB App and confirm by clicking on ‹Login›

9. The BEKB App has now been installed
